Safety Plan

In an effort to protect and conserve its human and financial resources by attempting to prevent accidents or other unplanned occurrences which may result in bodily harm, property damage or litigation, Mid-Plains Community College (MPCC) will take every reasonable precaution for the safety of its students, employees, or other persons having reason to be on or in any property controlled by the College. In order to accomplish this and in accordance with the laws of the state of Nebraska, the Board of Governors shall direct the President or the President's designee to establish and maintain a Safety Committees which shall adopt and maintain an effective written Injury Prevention Program as required by Nebraska Revised Statute Section 48-443 et seq or its successor statute. The administration shall participate in the development of rules and procedures to implement such a program and shall seek the cooperation of all employees in establishing safety education programs.

Campus Crime and Security

In 1990, the United States Congress enacted the Crime Awareness and Campus Security Act. MPCC intends to comply with the requirements of the Act.

The Administration of the College shall prepare, publish and distribute policy statements that comply with the letter and spirit of the Crime Awareness and Campus Security Act of 1990.

These policy statements shall cover the following areas:

1. Procedures for students to report criminal activities;
2. Security plans for campus facilities;
3. Availability and authority of campus law enforcement;
4. Programs available to inform students about security and the prevention of crime;
5. Procedures for recording crime through local police agencies; and
6. Campus policies covering possession, use and sale of alcohol and drugs.

The College Administration shall prepare, publish and distribute statistical reports that identify the occurrence of campus crimes and the number of campus arrests for crimes specified in the Crime Awareness and Campus Security Act of 1990.

These policy statements and statistical reports should be published in publications or mailings that are available to students and employees, as well as prospective students and the higher education community, upon request.
