NOMINATION

Name of Nominee:	Donna Harr
Award:	Fiscally Responsible
Narrative:	
Having served as a division chairperson for many years for the Business and Technology Division of MPCC, she always has a keen eye for how we can save the college and our division money. She is always instrumental in getting all of our division members together to pull together our budgets to make certain that we are getting the necessary items needed in our classes--but also to be fiscally responsible. She works well with securing part-time adjunct instructors for our department--since to remain fiscally responsible, we have eliminated two full-time business positions on our campus. She utilizes volunteer individuals in the community to interview our students and to give them real-world experiences that some institutions would pay for. She has guest speakers in her classes and always provides them tokens of appreciation out of her pocket.
